In considering your application for insurance, information from various sources must be considered. These include the results of your physical examination, if required, and any reports Protective Life may receive from doctors and hospitals who have attended you.

Information regarding your insurability will be treated as confidential. Protective Life, or its reinsurers, may, however, make a brief report of any personal health information thereon to the MIB, Inc., (MIB), formerly known as Medical Information Bureau, a not-for-profit membership organization of insurance companies, which operates an information exchange on behalf of its members. This inquiry includes information as to your insurance risk score, character, general reputation, personal characteristics or behavioral and lifestyle factors, except as may be related directly or indirectly to your sexual orientation. You have the right to be personally interviewed if we order an investigative consumer report. You also have the right to receive a copy of the report by making a written request to Protective Life, within a reasonable period of time, to receive additional detailed information about the nature and scope of this investigation.

## NOTICE AND CONSENT FOR BLOOD, SALIVA AND/OR URINE TESTING WHICH MAY INCLUDE AIDS VIRUS (HIV) ANTIBODY/ANTIGEN TESTING

EXAMINER: \_\_\_\_\_ ADDRESS: \_\_\_\_\_

To determine your insurability, the Insurer named above, Protective Life Insurance Company, is requesting that you provide a sample of your blood, saliva and/or urine for testing and analysis. All tests will be performed by a licensed laboratory.

Tests may be performed to determine the presence of antibodies or antigens to the Human Immunodeficiency Virus (HIV), also known as the AIDS virus. The HIV antibody test that we perform is actually a series of tests done by a medically accepted procedure. The HIV antigen test directly identifies AIDS viral particles. These tests are extremely reliable. Other tests which may be performed include determinations of blood cholesterol and related lipids (fats) and screening for liver or kidney disorders, diabetes, and immune disorders.

All test results will be treated confidentially. They will be reported by the laboratory to the Insurer. When necessary for business reasons in connection with insurance you have or have applied for with the Insurer, the Insurer may disclose test results to others involved in the underwriting and claims review process. Your test results will not be disclosed to your agent or broker. If the HIV test is positive, the results will be reported to the local health department or the State Department of Health and if the Insurer is a member of the Medical Information Bureau (MIB, Inc.), the Insurer may report the results in a generic code which signifies only non-specific blood test abnormalities. If your HIV test is normal, no report will be made about it to the MIB, Inc. Other test results may be reported to the MIB, Inc. in a more specific manner. The organizations described in this paragraph may maintain the test results in a file or data bank. There will be no other disclosure of test results or even that the tests have been done except as may be required or permitted by law or as authorized by you.

If your HIV test results are normal, no routine notification will be sent to you. If the HIV test results are other than normal, the Insurer or your designated physician will contact you. The Insurer may also contact you if there are other abnormal test results which, in the Insurer's opinion, are significant. The Insurer may ask you for the name of a physician to whom you may authorize disclosure and with whom you may wish to discuss the results.

Positive HIV antibody/antigen test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-Related conditions. Federal medical authorities have concluded that persons who are HIV antibody/antigen positive should be considered infected with the AIDS virus and capable of infecting others.

Positive HIV antibody or antigen test results or other significant abnormalities will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

I have read and I understand this Notice and Consent For Blood, Saliva and/or Urine Testing Which May Include HIV Antibody/Antigen Testing. I voluntarily consent to the withdrawal of saliva, urine or of blood from me by needle, the testing of that saliva, urine or blood and the disclosure of the test results as described above.

In the event of a positive HIV test result, I authorize Protective Life Insurance Company to send the test results to the following health care professional for post-test counseling and for Health Department reporting purposes:

## IMPORTANT NOTICE: REPLACEMENT OF LIFE INSURANCE OR ANNUITIES

This document must be signed by the applicant and the insurance producer/agent, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new life insurance policy or annuity contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing life insurance policy or annuity contract, or an existing life insurance policy or annuity contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the life insurance policy values, including accumulated dividends, of an existing life insurance policy, to pay all or part of any premium or payment due on the new life insurance policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your life insurance policy or annuity contract. You may be able to make changes to your existing life insurance policy or annuity contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing life insurance policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing life insurance policy or annuity contract?  Yes  No
2. Are you considering using funds from your existing policies or annuity contracts to pay premiums due on the new life insurance policy or annuity contract?  Yes  No

If you answered "Yes" to either of the above questions, list each existing life insurance policy or annuity contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the life insurance policy or annuity contract number if available) and whether each life insurance policy or annuity contract will be replaced or used as a source of financing:

	INSURER NAME	ANNUITY CONTRACT OR LIFE INSURANCE POLICY #	INSURED OR ANNUITANT	REPLACED (R) or FINANCING (F)
1.				
2.				
3.				

Make sure you know the facts. Contact your existing company or its insurance producer/agent for information about the old life insurance policy or annuity contract. If you request one, an in-force illustration, life insurance policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and keep all sales material used by the insurance producer/agent in the sales presentation. Be sure that you make an informed decision.

The existing life insurance policy or annuity contract is being replaced because \_\_\_\_\_.

I certify that the responses herein are, to the best of my knowledge, accurate:

\_\_\_\_\_  
Applicant's Signature Printed Name Date

\_\_\_\_\_  
Insurance Producer's/Agent Signature Printed Name Date

I do not want this notice read aloud to me \_\_\_\_\_ (Applicants must initial only if they do not want the notice read aloud.)

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing life insurance policy or annuity contract and the proposed life insurance policy or annuity contract. One way to do this is to ask the company or insurance producer/agent that sold you your existing life insurance policy or annuity contract to provide you with information concerning your existing life insurance policy or annuity contract. This may include an illustration of how your existing life insurance policy or annuity contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or annuity contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

**PREMIUMS:**

- Are they affordable?
- Could they change?
- You're older - are premiums higher for the proposed new life insurance policy?
- How long will you have to pay premiums on the new life insurance policy? On the old life insurance policy?

**POLICY VALUES:**

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old life insurance policy may have been paid; you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new life insurance policy?
- Does the new life insurance policy provide more insurance coverage?

**INSURABILITY:**

- If your health has changed since you bought your old life insurance policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new life insurance policy.
- (Claims on most new policies for up to the first two years can be denied based on inaccurate statements. Suicide limitations may begin anew on the coverage.)

**IF YOU ARE KEEPING THE OLD LIFE INSURANCE POLICY AS WELL AS THE NEW LIFE INSURANCE POLICY:**

- How are premiums for both policies being paid?
- How will the premiums on your existing life insurance policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old life insurance policy are being used to pay premiums?

**IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:**

- Will you pay surrender charges on your old annuity contract?
- What are the interest rate guarantees for the new annuity contract?
- Have you compared the annuity contract charges or other life insurance policy expenses?

**OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:**

- What are the tax consequences of buying the new life insurance policy?
- Is this a tax-free exchange? (See your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old life insurance policy under the Federal Internal Revenue Tax Code?
- Will the existing insurer be willing to modify the old life insurance policy?
- How does the quality and financial stability of the new company compare with your existing company?

## IMPORTANT NOTICE: REPLACEMENT OF LIFE INSURANCE OR ANNUITIES

This document must be signed by the applicant and the insurance producer/agent, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new life insurance policy or annuity contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing life insurance policy or annuity contract, or an existing life insurance policy or annuity contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the life insurance policy values, including accumulated dividends, of an existing life insurance policy, to pay all or part of any premium or payment due on the new life insurance policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your life insurance policy or annuity contract. You may be able to make changes to your existing life insurance policy or annuity contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing life insurance policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing life insurance policy or annuity contract?  Yes  No
2. Are you considering using funds from your existing policies or annuity contracts to pay premiums due on the new life insurance policy or annuity contract?  Yes  No

If you answered "Yes" to either of the above questions, list each existing life insurance policy or annuity contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the life insurance policy or annuity contract number if available) and whether each life insurance policy or annuity contract will be replaced or used as a source of financing:

	INSURER NAME	ANNUITY CONTRACT OR LIFE INSURANCE POLICY #	INSURED OR ANNUITANT	REPLACED (R) or FINANCING (F)

2.				
3.				

Make sure you know the facts. Contact your existing company or its insurance producer/agent for information about the old life insurance policy or annuity contract. If you request one, an in-force illustration, life insurance policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and keep all sales material used by the insurance producer/agent in the sales presentation. Be sure that you make an informed decision.

The existing life insurance policy or annuity contract is being replaced because \_\_\_\_\_.

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing life insurance policy or annuity contract and the proposed life insurance policy or annuity contract. One way to do this is to ask the company or insurance producer/agent that sold you your existing life insurance policy or annuity contract to provide you with information concerning your existing life insurance policy or annuity contract. This may include an illustration of how your existing life insurance policy or annuity contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or annuity contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

**PREMIUMS:**

Are they affordable?

Could they change?

You're older - are premiums higher for the proposed new life insurance policy?

How long will you have to pay premiums on the new life insurance policy? On the old life insurance policy?

**POLICY VALUES:**

New policies usually take longer to build cash values and to pay dividends.

Acquisition costs for the old life insurance policy may have been paid; you will incur costs for the new one.

What surrender charges do the policies have?

What expense and sales charges will you pay on the new life insurance policy?

Does the new life insurance policy provide more insurance coverage?

**INSURABILITY:**

If your health has changed since you bought your old life insurance policy, the new one could cost you more, or you could be turned down.

You may need a medical exam for a new life insurance policy.

(Claims on most new policies for up to the first two years can be denied based on inaccurate statements. Suicide limitations may begin anew on the coverage.)

**IF YOU ARE KEEPING THE OLD LIFE INSURANCE POLICY AS WELL AS THE NEW LIFE INSURANCE POLICY:**

How are premiums for both policies being paid?

How will the premiums on your existing life insurance policy be affected?

Will a loan be deducted from death benefits?

What values from the old life insurance policy are being used to pay premiums?

**IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:**

Will you pay surrender charges on your old annuity contract?

What are the interest rate guarantees for the new annuity contract?

Have you compared the annuity contract charges or other life insurance policy expenses?

**OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:**

What are the tax consequences of buying the new life insurance policy?

Is this a tax-free exchange? (See your tax advisor.)

Is there a benefit from favorable "grandfathered" treatment of the old life insurance policy under the Federal Internal Revenue Tax Code?

Will the existing insurer be willing to modify the old life insurance policy?

How does the quality and financial stability of the new company compare with your existing company?

**REQUIRED CALIFORNIA DISCLOSURE – For Universal Life Policies with No-Lapse Guarantees**

This policy is guaranteed to stay in force for a specified number of years as long as you meet the requirements of the Policy, including the Minimum Monthly Premium provision found in the policy contract. This provision is also known as a no-lapse guarantee, and a general description of the provision is included in the Narrative Summary section of the Basic Illustration.

While this policy provides a no-lapse guarantee, it may provide nonforfeiture benefits, such as cash surrender values, which are less than those that would be provided if the guarantee were issued as a separate policy, such as a term policy. If a separate term policy has higher nonforfeiture benefits, the premiums for the separate policy might be higher than the premiums for the no-lapse guarantee provided in this policy. Therefore, when considering the purchase of this policy, you should compare the value of higher nonforfeiture benefits, such as cash surrender values, versus the premiums required to keep your insurance coverage in force.

---

**REQUIRED SOUTH CAROLINA DISCLOSURE – For Universal Life Policies with No-Lapse Guarantees**

If there is no policy debt or partial surrenders, this policy is guaranteed to stay in force during the no lapse period as long as you have paid the required minimum premiums. This guarantee could be provided by a separate policy (such as a term policy). However, the nonforfeiture benefits (such as cash surrender value) in this policy may be significantly less valuable than those provided by the separate policy. So, if you fail to pay a premium within a specified period of time from its due date or otherwise cause this policy to terminate early, the benefits paid to you upon termination could be much less than would customarily be paid if provided by the separate policy.

When thinking about purchasing this policy, you should consider the tradeoff you may be making between having significantly smaller nonforfeiture benefits (such as a cash surrender value) available to you upon surrender of the policy versus the reduction in premium, if any, you may receive for not having these benefits.
